STATEMENT OF THE SUBSTANCE OF THE INTERVIEW

Applicant's representative and Examiner Moutaouakil conducted a telephone interview on September 24, 2008. During the interview Applicant's representative pointed out differences between the Everson et al. and Applicant's claim 6. A summary of the differences between Everson et al. and claim 6 that were discussed during the interview are presented in Applicant's remarks in the Amendment After Final filed on September 25, 2008 at pages 5 and 6 of the Amendment. Applicant's representative also proposed an amendment to claim 6 to read "to form a single aggregated packet" at line 6. This amendment to claim 6 was requested in the amendment filed September 25th. The Examiner agreed that this amendment to claim 6 would overcome the rejection of claim 6. This statement is submitted within one month of the mailing of the Interview summary.

Respectfully submitted,
